

# Google Drive

## Import a file

1. Click on squares

2. Click on Drive

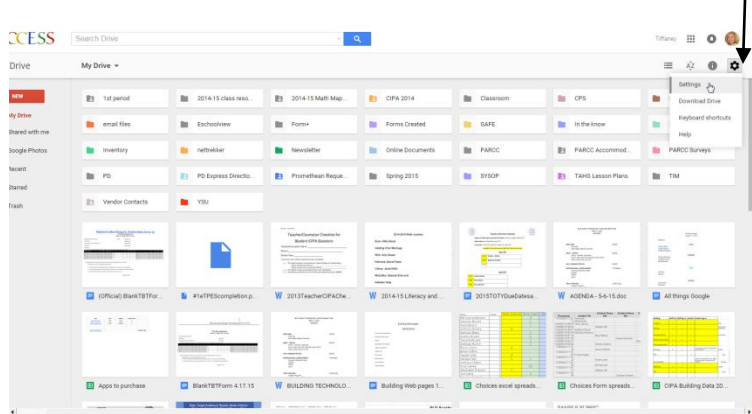

3. Click on the word NEW

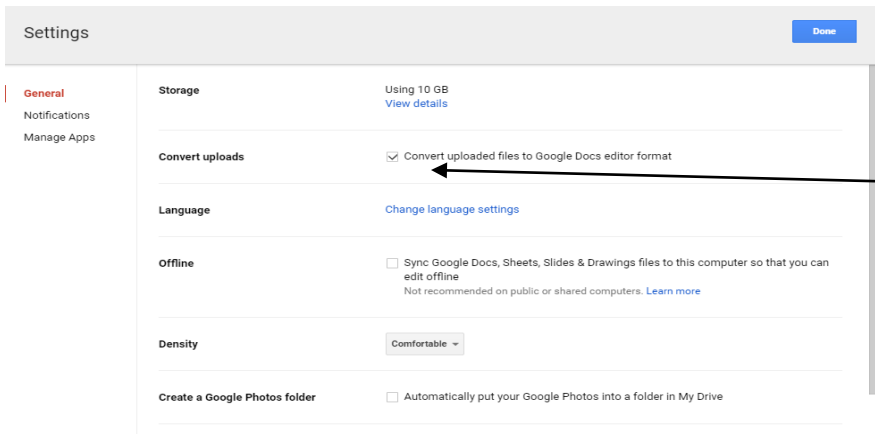

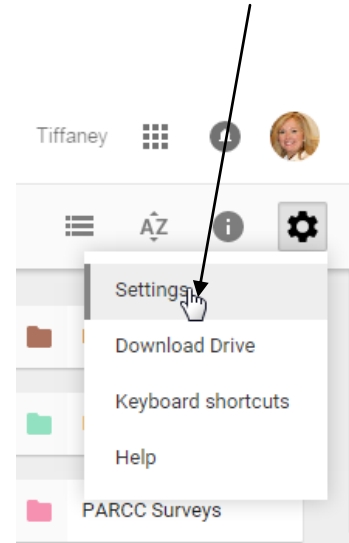

4. Click on File upload (folder upload, depending on the documents you want)

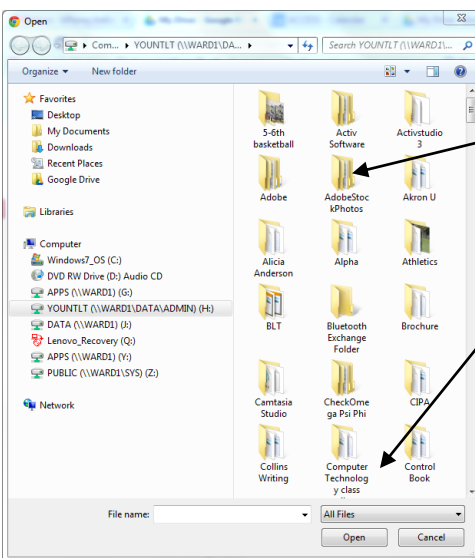

5. Choose to convert your document, it takes up less space in your memory and allows you to manipulate it in your Drive account. Click on cog wheel

6. Click on settings

7. Click convert uploads

8. Choose your file -then click open

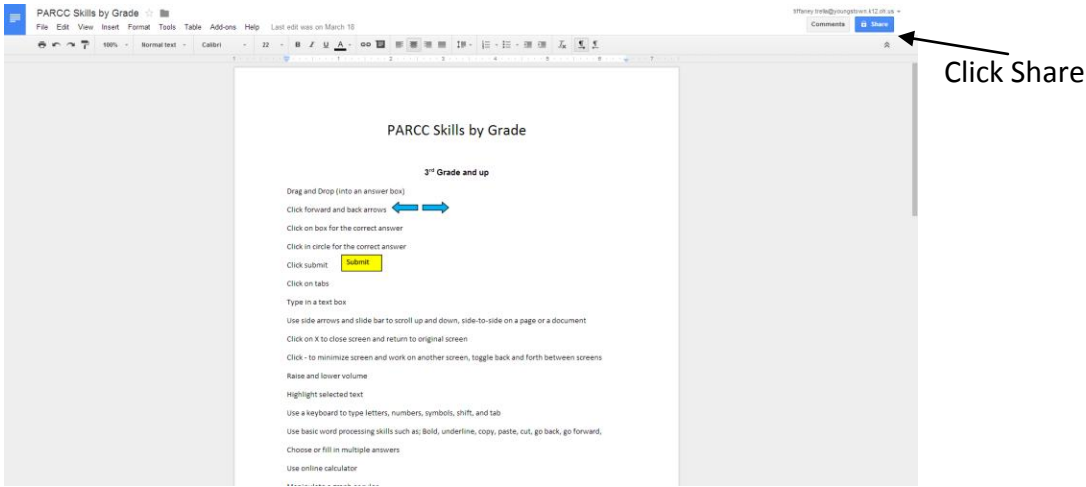

9. Your document should appear in your list

The screenshot shows the Google Drive interface. A red bracket on the left side of the file list groups the items. A red arrow points from a text box to the 'PARCC Skills by Grade.docx' file in the list. Another red arrow points from the same text box to the 'Upload complete' notification at the bottom right of the screen.

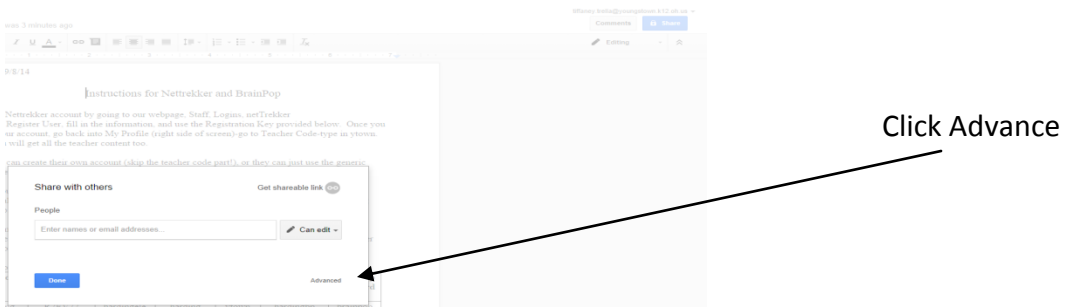

Identifying that you have uploaded successfully!
