

# YCSD REMOTE LEARNING 2020-21

What YCSD families need to know for the 2020-21 school year as we prepare for fully-remote instruction:

## 1 DEVICES

YCSD will provide a device for each scholar for the 2020-21 school year's remote instruction.

To request a device, go to [www.ycsd.org](http://www.ycsd.org), click the "About YCSD" tab and scroll down to "Remote Learning." From there, go to the "Devices" page, and click "Request My Scholar's Device." One request for a device must be submitted per YCSD scholar.

After completing the request, you'll get a confirmation email. A second email will be sent from YCSD when the request is completed. A device cannot be distributed to a scholar until the request is completed so families must wait until they receive the second email.

Once they receive the second message, they may proceed to their school building Aug. 31 or Sept. 1. Distribution will be between 9 a.m. and 1 p.m. and between 4 p.m. and 7 p.m. both days.

## 2 FIRST DAY

The first day of remote instruction will be Sept. 8. The YCSD Remote Learning Handbook is at [www.ycsd.org](http://www.ycsd.org).

## 3 HOME INTERNET

Through a partnership with the Youngstown Rotary and the Youngstown Foundation, YCSD will provide basic home internet access for the 2020-21 school year for YCSD scholars who do not have it. To request home internet access, you can follow the links for "Remote Learning" under the "About YCSD" tab on the district website, [www.ycsd.org](http://www.ycsd.org). From there, go to the "Home Internet Access" page and click "Request Home Internet Access." One request must be submitted per YCSD household.

## 4 CLASSES

Mondays and Tuesdays will be instructional days and Wednesdays will be reserved for office hours and scholar independent work time. Instruction resumes Thursdays and Fridays.
